absolutely still,

*Except for those dancing in place.* " - The Village Voice

**Three-time Grammy Award winning master drummer, composer, arranger,  
Glen Velez teams up with critically acclaimed vocalist & rhythm singer Lori Cotler**

*If* the moon could sing and the earth could dance, it would have happened on the day that three-time Grammy Award winning master drummer, composer and arranger, Glen Velez teamed up with critically acclaimed vocalist and rhythm singer, Lori Cotler. Those who have experienced a performance of this virtuosic duo will most likely tell you, " It's like nothing you could have ever imagined to be possible on two instruments - you must see it to believe it ! "

Intoxicating drum-voice orchestrations, a sensual feast of pulsing rhythms and vocalizations that will make you tap your feet, bob your head, as well as captivate your unconscious. Using an array of frame drums, shakers and vocal stylings, Glen and Lori embody the term *musical journey*. Each piece draws out a new mood and a new land, reverberations that bridge the ancient and modern, urban and tribal, sacred and profane.

*" Extreme virtuosity and imagination ... astonishing sophistication "* - New York Times
